

You only win here !!!

Who we are ?

Founded in 2004, Bonsai is one of the most respected and fastest growing Insurance Brokers in India.

Being an IRDA Licensed Insurance Broker, we deal with all Insurance Companies. Our revenue margins being the same with each Insurance Company, we are completely neutral and uninfluenced by any one Insurance Company.

On the other hand, being consolidators of business for Insurance Companies, we share a fantastic relationship and buying power with them.

You may be a start-up or a large corporate, our dedicated account managers will take care of your Insurance, right through.

Professional Neutral Consulting at no fee! With Bonsai Insurance Broking, you can only win!!

“...Bonsai works as our extended Insurance Department available for anything that starts and ends with the word Insurance...”
